Hi Mike – From our side, could you please include Laura, Brinda, Ashley, Eric, and myself for this mtg with Intrexon? Both March 6 and 7 seem workable for us. However, Ashley will not be available on either of those days, and so we'll figure out alternative OCC representation. If you/Intrexon decide on any other potential dates, just let us know.

Thanks for coordinating this, Mike!

Ritu,

FYI – Possible meeting dates we received from Oxitec. My understanding is that EPA and FDA will have a joint meeting with Oxitec to discuss additional details and EPA-FDA intersects.

Hello Mike,

Many thanks to you and the team for taking the time to speak with us on Friday. We greatly appreciate the proactive way that BPPD is approaching this matter.

Camilla and Tricia have consulted their calendars and both are available on either 06 or 07 March. Please let me know if either of those days will work for BPPD.

Best,

Keith

Mike,

Thanks for your message.

We'd be pleased to have a follow-up call with you tomorrow. Participants would be Jack Bobo and myself. Would either 10:00 – 11:00 am, or after 4:00 pm work?

Thanks,

Keith

Keith,

I need to follow up with you on behalf of EPA regarding the Oxitec meeting we had last Thursday. Are you available tomorrow to talk and if so what's a good time? Thanks.
